Sambutan Dewan Pembina

Mengabadikan Semangat Kebaikan

Seiring dengan perkembangan pesat teknologi yang secara tidak langsung mengubah tatanan sosial di masyarakat, sehingga kita menghadapi tantangan besar dari berbagai sisi kehidupan. Kemiskinan dan konflik meningkatkan jumlah korban terdampak. Begitupun cuaca ekstrem dan bencana alam, menjadi salah satu yang perlu kita atasi bersama untuk meredam segala dampak turunannya.

Alhamdulillah, Allah Ta'ala anugerahkan salah satu kunci solusinya, yakni fitrah kebaikan pada setiap kita untuk dioptimalkan. Dengan semangat kolaborasi, insya Allah hadirkan berbagai manfaat berkelanjutan dan langsung dirasakan masyarakat yang membutuhkan. Dari energi kebaikan pula dapat melahirkan gerakan hebat kerelawanan yang turut meredam derita, kemiskinan dan menggerakkan produktivitas kemandirian masyarakat.

Mari kita bergandeng tangan, bersama-sama berikhtiar menjaga gelombang kebaikan ini terus berkembang luas kini dan nanti. Serta mengoptimalkan segenap potensi agar lebih berlipat manfaat, meluas, masif, solutif dan tepat sasaran hingga mewujudkan kehidupan masyarakat yang lebih baik, Insya Allah.

Dewan Pembina

Message from the Board of Trustees

Carrying the Legacy of Kindness

Alongside the rapid advancement of technology, which is indirectly reshaping the social fabric of our communities, we are now facing major challenges in many aspects of life. Poverty and conflict have affected more individuals than ever before. Likewise, extreme weather and natural disasters are pressing issues we must address together to mitigate their ongoing impact.

Alhamdulillah, Allah the Most High has granted us one of the keys to the solution: the innate goodness within each of us, waiting to be nurtured and optimized. With a spirit of collaboration, Insha Allah, we can bring about sustainable benefits that are directly experienced by those in need. This energy of goodness can also inspire powerful volunteerism that helps alleviate suffering, reduce poverty, and encourage self-reliance and productivity within society.

Let us join hands and continue striving together to nurture this wave of kindness, so it may grow stronger and wider now and in the future. Let us maximize our potential to multiply the impact, making it broader, more significant, solution-driven, and right on target, in order to create a better life for all, Insha Allah.

ASAR Humanity percaya bahwa ketahanan pangan dan kemandirian ekonomi adalah kunci membangun masyarakat yang kuat dan bermartabat khususnya bagi pondok pesantren di penjuru negeri. Melalui pilar agro-ekonomi, kami mendorong pemberdayaan para santri dan da'i/ guru melalui sektor pertanian, perikanan dan peternakan. Tak lupa juga menguatkan UMKM agar masyarakat, khususnya di wilayah rentan, dapat memiliki sumber penghasilan yang berkelanjutan dan semakin mandiri.
